

# Paintball in Australia

Choose from over 20 of the best paintball sites Australia Wide.

Highly tactical and fast paced sport normally played in the woods (woodsball) or in a field with inflatable bunkers (Supair). Paintball Markers range from basic pump action models to highly engineered semi automatic setups with a rate of fire that would impress soldier. Paint grenades and smoke bombs are commonly available. Paintball tanks, howitzers other crazy inventions exist but are less common.

## Paintball Experience

**A typical Days paintballing** - Aim to arrive at the site in plenty of time, we recommend 20 minutes before the start time so you can get orientated. The day will begin with player registration followed by a safety briefing. After which you'll be issued with your kit and assigned to teams.

You'll Play a variety of missions through the duration of your paintball experience (missions like capture the flag, assassinate the general, defend the fort or last man standing). With refresher breaks between missions in the safety zone where you take off your masks and have a breather.

### Whats Included?

- 200 paintballs per person
- Site Entry Fee
- Equipment Hire
- Experienced Marchalls
- Multiple Missions
- Adrenalin fuelled Action!
- ... extra paintballs can be purchased on the day.

## How Can I Book?

Find your closest paintball site at [goballisticpaintball.com.au](http://goballisticpaintball.com.au) where you can book online or call us on 1300 966 221. If you have a gift voucher please have it handy so you can quote the reference number. We recommend booking a date as far in advance as possible, as places are subject to availability.

## What Should I Wear?

Obviously it depends on the weather, but we recommend old comfortable clothes that you don't mind getting dirty. You will be running around over uncertain terrain so wear sturdy but comfortable footwear (pair of runners or walking shoes). Strictly no sandals or thongs, footwear must be closed toe.
